

# Thanksgiving at UBH 2020!

---

Interested in helping Upward Bound House this Thanksgiving?

This year we are going “contact free” to minimize the risk for all involved in this program. In order to ensure all families in our programs have a meaningful holiday experience we have the following goals:

**51 catered Thanksgiving family sized meals for clients in our Residential programs**

**100+ family sized gift cards for our clients in Permanent Housing**

We ask that gift cards be for Kroger grocery stores (Ralphs, Food4Less etc.) so they are accessible to our clients. Please provide gift cards in denominations of \$50 so that we can distribute them based on family size. We estimate that a family of four will need \$200 in grocery store gift cards. You can mail gift cards and greeting cards to our admin office at 1104 Washington Ave Santa Monica, CA 90403.

If you would like to make a personalized card and/or video greeting to share with the families we would be more than happy to pass this along!

If you would like to order a catered meal please contact Emili Abdel-Ghany at [eghany@upwardboundhouse.org](mailto:eghany@upwardboundhouse.org) or 310-458-7779 to arrange the details.

## HAPPY THANKSGIVING!!!
